## Nuts tests man tears!

After Murray's meltdown, we see if blubbering brings benefits!

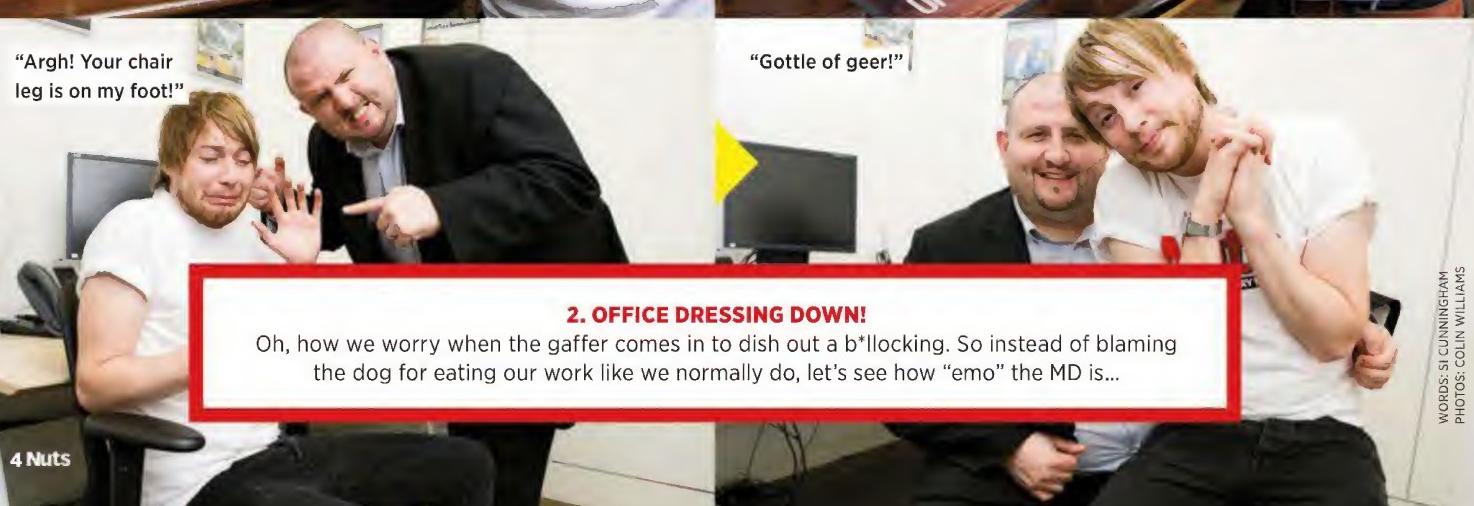

→ AFTER THIS year's Wimbledon final, the nation's hearts melted as plucky Scottish loser Andy Murray wept in the face of defeat. Days before, Mario Balotelli had turned the beautiful game into the crying game after Italy lost the Euro 2012 final. And everyone loved him all the more for it.

This soppiness got Nuts thinking, can crying help in other situations? So we tested a few unpleasant everyday scenes – such as getting a parking ticket, or a grilling at work – to see if we could turn tears into cheers! Note: no Nuts man was harmed in making this stunt – he was just made to feel very upset for the day.

### 1. NO MONEY FOR BEER!

It's two weeks from payday, so we can't afford a pint, let alone a packet of Scampi Fries to go with it. But one quick bout of waterworks had this pitying publican turning on the taps!

"Yes! The 'medley of show tunes' trick works every time!"

**Nuts**  
GRAB YOURS. EVERY WEEK.

### 3. PRETTY GIRLS!

We never have much luck with the ladies. Is it the way we do our hair? Whatever. These two park-dwelling pretties were putty in our hands after seeing us sob!

The ticket was  
made of onions

"Ha! I've nicked his  
hat and he didn't  
even notice!"

### 4. PARKING TICKET!

We all know what a cold-hearted and merciless bunch traffic wardens can be, but this ticket-sticking twerp turned from stone to jelly at the sight of our blubbering mess. Result!

**THE VERDICT:**  
Success! Crying not  
only stops you getting  
a kicking from the press,  
it gets you free stuff  
and kisses off the  
fairer sex!

## How we made *Nuts* man cry!

**1. ONIONS!**  
Success, with the bonus of smelling of bolognese.

**2. WEEPY FILM!**  
We weren't crying – there was dust in our eyes. Honest!

**3. KICK IN THE NUTS!**  
Mocking the office PA's new hairdo wasn't a good idea!

**4. CHINESE BURN!**  
Who can't succumb to the pain of a really twisted arm?

**5. FAKE DUMPING!**  
We got his missus to call and pretend to break up with him!

# Kim's bikini stretch!

This week, Ms Kardashian finds herself in Mexico

→ **KIM KARDASHIAN.** Imogen Thomas. Coleen Rooney. The lady cast of *TOWIE*. Women who for all the world appear to be *eternally* on holiday. But our jealous, impotent rage aside, there are plus points. A seemingly endless flow of piccies of genetically advantaged women wearing next to nothing, for instance. Recession-busting global sales of suncream, aftersun and hair-removing products for another. And, of course, giant leap advances in bikini technology. The tensile strength of this one here would be enough to catapult a Space Shuttle into lower orbit. Probably.

WORDS: RORY BUCKERIDGE PHOTOS: SPLASH NEWS

QUEEN OF REALITY!

Earlier this year, Kim signed up for three more series of her reality show. For \$40million (£25million).

"Ouch! Where's my PA? We need to get these pebbles removed immediately!"

# £150k Aston convertible

V12 Vantage drop top could well be Aston's best!

- As quickly as you might criticise Aston for making models that all kind of look the same and all kind of use the same two engines, we quickly forgive them when photos like this drop on the *Nuts* doormat.

- This is not the most technically advanced GT car ever created, nor is it the most radical. But what the V12 Vantage Roadster is (in our opinion) is the best all-round Aston on sale today, but with its top lopped off.

- The V8 Vantage is Aston's entry-level car and, to many, the sweetest looker. By shoehorning in the 6.0-litre V12 from the DBS and punching some carbon fibre slats in the bonnet, the V12 Vantage was born. And boy is it something else.

- If this freshly hatched cabriolet drives anything close to its hard-roofed cousin then it is *everything* you'd ever want from a muscle-bound sports thoroughbred. The recipe isn't complicated – the 510bhp, 5,935cc engine is mated to a six-speed cold-to-the-touch alloy manual gear shifter. No flappy paddle silliness.
- The engine bench-presses 420lb-ft of torque to that gearbox (which is rear-mounted for optimum weight distribution), sending drive to forged black/diamond-cut alloy wheels. The rear wheels, of course. Anything else in an Aston would be offensive. So 0-62mph takes 4.5 seconds and top end is 190mph.**
- So how do you spot a V12 Vantage amongst the other Astons? Not by a V12 badge.

"I prefer 'strawberry blond' myself"

Too obvious. The first thing you'll clock are the carbon fibre side intakes, then the carbon mirrors and the rack of carbon nostrils in the bonnet.

- The rear light in-fills and front splitter are crafted from the heavenly lightweight weave. V12s have a special handmade rear diffuser which houses a large centre-mounted oil cooler and two fat, all singing, no dancing tailpipes.**
- The all-aluminium Roadster also wears a redesigned boot lid with larger spoiler "lip" to keep the back end planted during high speeds.
- Not that it makes much sense on a muscle-bound GT, but one of the cabin buttons is "sport" mode. The theory,**

according to Aston, is that in normal driving conditions the accelerator pedal is more relaxed and the exhaust is quieter.

- Press the button however, and the pedal response becomes as sharp as Gordon Ramsay's tongue. The exhaust bypass valves are also kept open for longer to wring out as many rumbles and crackles.
- At £150,000 (£15k more than the hardtop Aston), the V12 Roadster is slower and more expensive than Audi's R8 V10 Spyder, but more handsome than Bentley's Conti GTC or any 911 cabriolet. Either way, it's a fine, fine motor.**

"So, right now I'm 'Old Rooney'. In 20 seconds, I'll be 'New Rooney'"

"Yeah, I'm playing  
Maroon 5. What of it?"

# Hammond's stunt show!

The Hamster goes action hero for his new show!

→ **RICHARD HAMMOND'S Crash Course** was a show the wee presenter filmed for BBC America where he got a few days to learn to drive heavy equipment, and was then let loose on diggers, tanks, harvesters, etc. Well, it seems he's broadened his horizons for series two, as he was snapped out in Los Angeles doing what looks for all the world like he's being a stuntman for a day.

"Gotta go fall off a bridge," he tweeted. "Weird welcome in LA. Thrown thru window yesterday." And then set alight, by all accounts. Clarkson, presumably just off screen, throwing on the match.

"There's a vague smell of burning around here"

## BARREL ROLL!

"Now, have I jacked the car up a bit too much?"

Car was angling for a belly rub

Corden had sat down too quickly again

## How to set yourself on fire! Disclaimer: do not do this!

### STEP ONE: PREP

Line your clothes with three layers of Nasa reflective foil. Then dielectric gel to your bare skin and hair. Add napalm. Yup, *napalm*.

### STEP TWO: GET READY

Napalm lasts for three minutes, so be quick. You need a co-ordinator with a small extinguisher, one with a big one and a man with a fire blanket to help.

### STEP THREE: FLAME ON!

Set yourself on fire. Any burn should only last 30 secs as the fuel runs low and doesn't look great. Run around whooping and waving your arms.

### STEP FOUR: EXTINGUISH!

Roll around while your team apply the fire extinguisher and blanket. napalm burns at 1,000C and can reignite, so fire blankets are a must.

"Come on, Nemo.  
This way, boy"

# Behind you!

**Yup, it's a great white  
stalking a kayaker!**

WORDS: RORY BUCKERIDGE  
PHOTOS: PA PHOTOS/AP, REX FEATURES

**THIS TUBBY** kayaker's expression says it all, as it dawns on him he's being tailed by a 15-foot man-eating great white shark, at US resort Cape Cod. Holidaymaker Walter Szulc explains, "I looked down and realised that part of the shark was underneath me, and I just proceeded to paddle." By "paddle", he means "windmill furiously like a hamster in a wheel", presumably.

## Great white attacks

2012 has already had its fair share of bitey fish!

- On 20 June, surf skier Martin Kane had his ski bitten in half and was thrown into the sea by a three-metre great white just 150 metres off Mullaloo Beach north of Perth, Western Australia. "In defiance, I threw my paddle at him and swam away," the Dublin native recalled.
- On 19 April, surfer David Lilienfeld, 20, was attacked and killed by a five-metre great white while bodyboarding at Kogel Bay, in the Indian Ocean, near Cape Town, South Africa.
- Peter Kurmann, 33, was attacked and killed by a four-metre great white around two kilometres off Stratham Beach, near Busselton, Western Australia on 31 March. He was diving with his brother.
- A 25-year-old surfer fought a suspected great white for over five minutes with his board before succumbing to his injuries at Second Beach, Port St Johns, Eastern Cape, South Africa on 15 January.

# Spartacus game announced

Thumbs up for the gladiatorial slasher!

→ MAN TV show *Spartacus* is full of more sex, gore, boobies, cussing and merciless, baying crowds than a Tory party conference, so you know the game's going to be more than a bit tasty. And here are the first shots of *Spartacus Legends*.

Developers promise "primeval gladiator moments" as you murder your way to legendary status in the arena. Sadly, no robust slave girl sex engine involved. Boo! It'll be out on consoles early next year. Yay!

## I'M SPARTACUS!

You fight as either celeb slave Spartacus, Crixus or your own, unique gladiator who you create to match your fighting style.

## WEAPONS!

## 'There was blood gushing everywhere!'

Pub garden glass smash results in reader's gory gash!

→ WE'RE FOREVER being told that smoking's no good for us, and it would seem this gaping gash is yet more proof! Nuts reader Pete Abell from Northampton was at the pub and had just stepped outside for a quick fag when he took a tricky tumble through a glass door.

"I tripped up on the top step on my way out to the beer garden," recalls Pete. "I put my arm out to stop myself, but it went straight through the glass door in front of me!"

"There was blood gushing everywhere. My mates couldn't bear to look, so we wrapped my arm in a beer towel and hotfooted it to the hospital."

Once in A&E, docs told Pete that he'd need over 100 stitches. "The surgeon said the gash was so deep he couldn't go in with a scalpel without hitting a tendon," continues Pete, who spent four days getting fixed-up in hospital.

As anti-smoking campaigns go, this is the most gruesome one we've seen yet!

## He's stealing my thunder!

My housemate is constantly walking around our gaff with his pecs out. He's a real gym nut and every time I bring a girl home he's always showing himself off. The final straw came when I brought a girl back recently and she confessed she couldn't sleep with me because she couldn't stop thinking about him. What should I do?

HARJIT via email

It comes across as though you're jealous of him. Would you prefer to have a body like his? You should go to the gym with him and beef up. And ask the girl who admitted to fancying your flatmate if she'd like a threesome. It's worth a try. Alternatively, change flatmates and share with a lesbian, then at least if your girl fancies her you can watch!

LETTER OF THE WEEK!

## She's always nagging me!

My missus is such a nag! No matter what I do she's always giving me a hard time about something or other. What can I do to make her realise what a brilliant chap I am?

JASPER Sunderland

How long have you been in a relationship with her? Perhaps she's bored of your company. What excites her? Take her for a picnic, or take her on a holiday if you can afford it. Other possibilities are: she's pregnant, sleeping with someone else, has an illness, or just downright doesn't respect you. Remember, never feel obliged to stay in a committed relationship if it's making you unhappy.

## I'm going bald!

I'm going bald and I'm worried it'll put the ladies off. Do you think I'm just being vain?

SAMUEL Wisbech

It depends largely on the clothes you sport your baldy

head with. If you have hardly any hair left and you're top-heavy, I'd suggest shaving it all off. Just have confidence in yourself – an outgoing and charming personality can get anyone in the bedroom, whatever's on your scalp.

## She's put sex on hold!

My other half has imposed a sex ban on us. She says that by the time we next come to have sex things will be even better than before. Does she have a point?

PAUL Wrexham

This is true. Not sharing any sexual contact for a certain period of time does tighten your bond. Use this time to play with your partner – she'll be extremely sensitive to touch and smell. If you show you're gagging for it, she'll not yearn to sleep with you and may even be angry you're not taking her decision seriously!

- If you've got something to ask Danni, just email her at [thelesbian@nutsmagazine.co.uk](mailto:thelesbian@nutsmagazine.co.uk) or write to her at the usual address on p66.

Dear Nuts,  
I saw this in a work toilet. It wasn't me!  
**MARTIN H** via email

You're lucky. At Nuts Central, they make us bring in our own toilet roll. And we don't even have a toilet.

Recently, it has become apparent that some of the company's staff have fallen upon extremely hard times and to such an extent that they need to take the soap and toilet rolls from the toilets in order to try and make ends meet.

The Managing Director has generously agreed that if someone is in desperate need, if they speak to Delaney or myself and bring their own circumstances, the company will provide a quantity of soap and toilet rolls to be taken home for reasons of personal hygiene.

Please also feel free to bring the family in to see the doctor, just write or ring.

A CHAP says to his mate in the pub, "My wife and I recently underwent a revolutionary procedure that allowed us to swap bodies for a day. She had a whale of a time trying to get the hang of shaving, urinating standing up, parallel parking with ease, going drinking with the lads at a strip club, getting into a fight and realising she'd rather remain lost than ask for directions."

His mate replies, "Wow! So, what did you do without yourself all day then?"

The chap answers, "I just stayed in bed and played with my breasts."

Yes, they have, actually. One guy was eyeing me up while driving. He ended up going on the pavement and scraping his car against a sign-post!

**Have you had many crazy nights out recently?**

I had some pretty wild nights in Magaluf. I got to see Emily O'Hara's crazy side and just had such a laugh getting drunk and being naughty by the pool.

**Do chat-up lines ever work?**

No way! They're rubbish. The worst is when boys just say something really rude. If you want to impress a girl, just take an interest in her and get to know her. She'll like that more.

**Give us a great bedroom tip.**

Use baby oil! Pour it all over your partner and yourself because it makes everything feel really nice and it's very sensual. I think that's very important. I also like the idea of blindfolding!

**Finally, do you ever use games to spice things up in bed?**

Maybe a naughty version of hide-and-seek?! You have to be naked and blindfolded, and crawl around the bedroom to find each other. That can be very, very exciting! 

CHRISTIAN BALE

# CHRISTIAN BAILE

The Brit Hollywood superstar tells us about *The Dark Knight Rises*, his co-star Tom Hardy and the UFC!

**H**i Christian! The third and final *Batman* movie is out this week. What would've happened if you'd said you couldn't be bothered making another one after *The Dark Knight*?

I knew it was going to happen for me because I was contracted to do it. I had no choice – I would've been sued up the ying-yang and on the street and penniless if I hadn't done it!

**Everything about the new movie has been very secretive, but we've seen some stuff about Bruce Wayne's relationship with Catwoman, played by Hollywood hottie Anne Hathaway.**

Have you? You think you have, have you? Aah, maybe some people are seeing things and they don't know what they're looking at. It's quite interesting to watch and hear what people think we're doing. And you look and go, "That's not what we're doing!", But never mind, let's let people think that's what we're doing.

**These sort of films cost an insane amount of cash to make. Do you worry people might think it's a load of rubbish?**

I have no clue what the audience is going to think about the movie. Thank God I've got someone like [director] Chris Nolan, who's really great at gauging that.

**What can we expect from *The Dark Knight Rises* then?**

There's an awful lot of new discoveries, truths coming out, and the whole question of what's the correct thing to do – continue with lies and make people feel good, or have the truth come out and devastate and ruin people's lives. It goes back to *Batman Begins* and *The Dark Knight* and deals with a lot from those movies.

**How much time has passed between *The Dark Knight* and this movie?**

"Damn, it must have been a niche dating agency!"

It's been, I would say, years. I don't know if Chris would want me to say exactly how long. But it's not the next day. There's been quite a change within him.

**What was it like working with fellow Brit Tom Hardy, who plays the baddie Bane?**

He's a really fascinating actor. He's going to create some wonderful characters over his career, and he's doing so with this. He's kind of just gleeful, and he's got a great character that he can chew the scenery with. In a good way. I'm very impressed with him.

**What were your fight scenes like together?**

We have fantastic stunt guys. You know, they kind of work out what they'd like to see in the fights and Tom and myself bring in the story to the fights. A fight that's just a knock down, everyone punching each other, ceases to be really exciting after a while. You've got to figure a way to tell a story within the fight.

**Tell us more.**

Well, if you watch the UFC, sometimes you're going, "I don't know what's going on. It looks like a bloody mess." And you sometimes have to be able to just look at it with eyes like myself, someone who's not a trained fighter, and be able to understand what's happening. And seeing a fight that has a description, and a beginning, middle and end to it is a wonderful thing. That means so much more than showing off a few martial arts moves.

**Speaking of fighting, we heard Mark Wahlberg wants to make a sequel to your boxing movie *The Fighter*. What can you tell us?**

We haven't spoken about it. I've heard that he's been talking with some people about it, but he hasn't spoken to me.

**Thanks, Christian! Finally, do you think you're going to miss playing Batman and getting into that big rubber suit?**

Of course I will, yeah. For all the discomfort and the heat and the sweat and the headaches and everything, when you sit and watch the movie at the end of the day, you go, "Well, that's f\*\*king cool!" Yeah, I will miss that.

● *The Dark Knight Rises* is in cinemas from Friday.

IMOGEN THOMAS

**EXCLUSIVE!**

# Imogen!

The Welsh wonder on how to behave in the boudoir!

**“Chivalry  
is what  
British  
blokes  
do best!”**

**B**ELIEVE IT or not, it takes more than a fully-stamped Nando's loyalty card and your hilarious "breadstick walrus" impression to impress the lady-folk of Great Britain these days. It takes a bit of charm, some sophistication and – at the very least – a change of undies once in a while. Which is why we've enlisted the help of the impossibly gorgeous Imogen Thomas to share some seriously sensual seduction tips with us all and reveal what really gets a girl going...

**Hi Imogen! This is all feeling very seductive today. Do you have any seduction tips for us?**  
Hello! It's very sexy, isn't it? You should buy your lady sexy underwear so she can put it on and be ready for you, and then get her lots of strawberries and champagne. All the romantic classics are the best!

**If we can't afford champagne and strawberries, will fizzy pop and Haribo do?**

Definitely! I love a bit of pick and mix, so I'll definitely settle for penny sweets. You know what, chaps, you can be really creative as well because you can buy penny sweets and scatter them around the bedroom – she'd love that.

**Suggestion noted. So is old-school chivalry a sure-fire way to seduce you?**

Oh my god, yes! That's a must before you go anywhere. You know, every man should be doing things like holding doors and putting an umbrella up, and generally being very charming. It's what British blokes do best.

**What about chatting up a lady? What should we say?**

When you're talking to a girl you've just met, you should always say she looks beautiful and you should mean it. Like, if she's got a new dress on just say, "You look really stunning," and that's it. It's not cheesy. ▶

IMOGEN THOMAS

Maybe throughout the night, if she laughs, you should tell her she has a cute laugh. A girl always loves to have confidence.

**What's a guaranteed way to give a lady a night to remember?**

If you're at the stage where you've slept together, then running her a nice warm bath with lots of bubbles and candles is lovely for a man to do as well and he's got to scrub her back.

**How could we give you a night to remember?**

I'm a woman who likes to be fed a lot. I love food! A really romantic meal would just win me over. If he can cook a really nice roast dinner, it doesn't have to be a Sunday, obviously.

**We're always being told that men should do things like spread rose petals on the bed. Is that a good idea?**

I think men shouldn't be afraid to make nice gestures like that, especially if their lady has been away for a long time. Or on special occasions, like anniversaries, then I think it's very acceptable. Just make sure you have a good hoover!

**Have you ever been tempted to do that thing where you show up at a chap's house wearing just a fur coat, stockings and suspenders?**

I've been tempted, but the thing is, can you imagine if you were stuck in a situation where you're just in your underwear? If you got knocked over and there you are in your matching underwear and suspenders underneath a coat! Can you imagine the paramedics? I think it would be like the best day of their lives!

**What would guarantee a bloke a night of passion?**

I think if a guy's been away or she's been away and they haven't seen each other and they're lustng for each other, you're guaranteed a night of passion then. And if he buys her some underwear and some shoes then he's guaranteed to get something! ▶

**"A really romantic meal would win me over!"**

**"I like a bloke  
in really nice,  
tight boxer  
shorts – no  
Y-fronts!"**

**Have you ever done that thing where you arrange to turn up to a hotel to meet your other half and pretend you don't know each other and have never met?** Oh my god, people actually do that? I think that's the weirdest thing ever! Actually, I know a couple who are a bit older and they do that. They go to a club, pretend they don't know each other and they meet at the bar and they're like, "Hi, what's your name?" and then they go upstairs to their room and have sex!

**Not for you then?**

No, definitely not. I'd just look at him silly and be like, "What the f\*\*k are you doing?"

**What's the strangest thing you've done in the buff?**

I'm always doing the cleaning in just my knickers and bra. I forget all the time. It's worse when friends come round and I'll totally forget. Ha-ha! They'll say, "Imogen! People can see you, you know!"

**Is it ever acceptable to take nakedness outdoors?**

I'm actually really shy when it comes to stuff like that. I think we've all checked out a nudist beach before, but I'd never go on one again. I just found myself staring at everyone else. It's really weird!

**Can you give a chap advice on buying some sensual gifts for their girlfriend?**

Always go for black, silky and see-through. You can't really go wrong with French knickers because they're ultra sexy. Don't be scared to have a quick look in her undies drawer to see what size you need to get.

**Finally then, say we manage to get you up to bed, what are turn-ons and turn-offs for you?**

I like a bloke in really nice, tight boxer shorts – none of this Y-fronts nonsense! And a big turn-off is when a man is naked wearing nothing but his socks. You'd be surprised how many men I've seen do that. It's disgusting!

## CSI: Miami

CHANNEL 5/HD • 10.10pm

Bad news for fans of red-haired, shades-wearing crime-crackers – the final series of this begins tonight. On the plus side, there are 18 corking episodes to get through, beginning with Horatio and Natalia in a pickle – he's bleeding from a gunshot wound and she's stuck in a submerged car. Still, all in a day's work, eh?

## UFC 149: Faber vs Barao

ESPN • 3am

Urijah Faber's opponent was meant to be bantamweight champ Dominic Cruz, but he busted his knee. Instead, Faber (above left) takes on brilliant Brazilian Renan Barao, who's won his last 29 bouts. If you like your fights fast and furious, this one's for you!

INDIANA JONES AND THE LAST CRUSADE

BBC ONE • 6.30pm

The best of the Indiana Jones films sees Indy, with dad Sean Connery in tow, taking on the Nazis in the race for the Holy Grail.

## F1: German Grand Prix

SKY SPORTS F1/HD • 11.30am

This season's so unpredictable that we haven't the foggiest who's likely to win from one race to the next. Mark Webber won at Silverstone, Lewis Hamilton took the chequered flag here last year and Fernando Alonso's topping the table. Our tip? Pass!

★★★★★

## Golf: The Open Championship

BBC ONE • 12.35pm

There are worse ways to spend a Sunday than loafing on the sofa, lager in hand, golf on telly. Last year's Open was a bit of a classic too, with *Nuts* hero Darren Clarke becoming the oldest ever winner of the tournament. Yep, we'll enjoy this final round!

★★★★★

## The Only Way Is Essex

ITV2 • 10pm

It's faced stiff competition from the likes of *Geordie Shore* and, to a lesser extent, *Made In Chelsea*, but *TOWIE*'s still more than holding its own in the reality-TV-with-incredibly-hot-girls stakes. Tonight sees the start of the sixth series. Incredible!

★★★

ENGINEERING GIANTS: GAS RIG STRIP DOWN

BBC2/HD • 8pm

A massive North Sea gas installation is taken apart for recycling. As demolitions go, it's hardly sticking dynamite under a tower block, is it?

# Monday 23 July

Finding a parking space at Westfield was proving tricky

"Must not punch myself in the face..."

The fly race on the window was getting exciting

HIDDEN HONEY!

REVENGE

E4/HD • 8pm

If your missus makes you watch this drama following New York socialites, at least take comfort from the fact Brit hottie Ashley Madekwe's in it.

## Taken

FILMFOUR/HD • 9pm

Quite simply, one of the greatest bloke films ever made. Liam Neeson plays the private security operative whose daughter is kidnapped by Albanian sex traffickers in Paris. So he hightails it to France to "tear down the Eiffel Tower if I have to" to get his girl back, before she's sold into sex slavery and never seen again.

## Alan Partridge's Mid Morning Matters

SKY ATLANTIC/HD • 9pm

Classic Partridge this week as the DJ discusses urgent issues of the day including, "who's the best piper?" and "how often do you wash your towels?" We can't wait for next year's film!

★★★★★

## Adam Buxton's Bug

SKY ATLANTIC/HD • 9.30pm

We're loving this brilliantly simple show consisting of the host taking the mick out of comments posted under YouTube videos. Well, we did tell you it was simple. Tonight he focuses on parodies of Radiohead's *Lotus Flower* vid, among others.

## Friday Night Lights

SKY ATLANTIC/HD • 8pm

Packing humour, sporting action, hot girls and emotional punches, the drama following a small Texan town's American football team is one of the best shows on TV. Series two gets under way with the team struggling to adjust to coach Taylor's departure.

★★★★★

## Line Of Duty

BBC TWO/HD • 9pm

The decent police corruption drama draws to a close. DS Steve Arnott questions how close DC Kate Fleming was prepared to get to the on-the-run Gates, which understandably goes down like a lead balloon. Then, Fleming and Superintendent Ted Hastings set out to find Gates – with a shattering conclusion.

★★★★

## Falling Skies

FX/HD • 9pm

The second series of the impressive, Steven Spielberg-produced alien-invasion drama continues apace with Ben and Hal encountering a young boy in trouble while out on patrol, but their efforts to help out only end up with having their bikes stolen, leading to an incredible discovery. If you liked *V*, give this a go.

# Wednesday 25 July

## Real Steel

**SKY MOVIES PREMIERE/HD • 8pm**

This film set in a near future where robots have replaced humans in the boxing ring (yes, really) makes for a decent underdog tale. A struggling promoter (Hugh Jackman) takes a has-been old robot and whips it into shape. An utterly ridiculous premise, then, but there's enough action and heart to keep us interested.

★★★

## The Change-Up

**SKY MOVIES PREMIERE • 10.10pm**

Comedy from the director of *Wedding Crashers*, starring Jason Bateman and Ryan Reynolds as two pals – one happily married, the other a wild singleton – who magically swap lives after having a heart-to-heart about their lives over a few pints. Cue laughs, satisfyingly good gross-out moments and boobs. Cool.

★★★

## The Killing

**CHANNEL 4/HD • 11.10pm**

In an age where even the shortest of plot threads leak online before you get to see the show yourself, if you're still in the dark about the outcome of this long-running saga you've done well. It concludes tonight, with Holder and Linden finally discovering who killed Rosie. And would you believe it? It was only blooming...

## Great Britain vs Senegal

**BBC ONE • 7pm**

Yay! More proper tournament football for us to enjoy with Britain's first Olympic match. It will all come down to whether the combined might of England and Wales can gel quickly enough, and whether we can prevail without the help of the Scottish.

★★★★★

## Dynamo: Magician Impossible

**WATCH/HD • 9pm**

This week, Dynamo tests his football prediction skills and literally changes his clothes in a flash. If chicks really do find magic sexy, this chap's going to have no problems at all.

★★★

## The Midnight Beast

**E4/HD • 10pm**

More oddball antics from the trio of school pals who are trying to make it big as musicians. We'll be honest, the whole "wacky parody band" thing is wearing a bit thin now, but it's still good for a few chuckles. More so if you've had a few drinks, anyway.

Scary horror about demonic possession that's definitely not for the squeamish. A young girl travels to Italy see her mum, who's been locked

# LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!

## 'I gave him a quick flash'

I'VE RECENTLY joined this website where you can watch people have live sex. There was one guy in Spain who played with his c\*ck in front of me. I gave him a flash of my big breasts and he said he loved it and wanted more, so I started dancing for him as I watched his hand move up and down. I then took my knickers off and sat on a chair, touching myself, with one leg in the air. He asked me to bend over as if he was taking me from behind while I used my vibrator on myself. I soon came hard and then watched him do the same. I spend hours on the site now and have a guy in most countries!

## 'He took me in the layby'

LAST WEEKEND, my boyfriend and I went to Peterborough to see some of his family. We didn't get much time alone, so when

we were driving back on Sunday, I was feeling horny and I started to rub my hands on my boyfriend's jeans while he was driving. I felt him go hard straight away so I told him to pull over in the next service station. I looked around, spotted the toilets

## 'He lifted my dress up'

I WAS dancing at a club one night when my boyfriend started looking at me with this really cheeky smile. He just kept staring at me and glancing at my body, I knew he wanted me to go over to him so I did. He had a hungry look in his eyes and without saying anything, he started passionately kissing me, which really turned me on. Taking my hand, he led me over to the nearest wall and started kissing me again. He pulled my dress up a little and I felt his hand go into my panties. I was really wet by now and he was whispering dirty things in my ear. The loss of control really excited me so I rushed him to the toilets. Luckily, no one walked in to witness what was going on!

# 10 RUDE QUESTIONS!

And a real girl to answer them!

## Victoria

### 1 Where's the strangest place you've had sex?

"One time, on the way back from a night out, we just couldn't wait to get home, so there was some sneaky sex in the back of the taxi. The driver had no idea what was going on!"

### 2 What's your trademark move in the bedroom?

"I think I'm well known for my teasing, definitely! I like to tease and keep a bloke so excited and turned on that he can't take it any more and pins me up to the wall!"

### 3 What really turns you on?

"I'm a big fan of dirty talk during sex. I also like getting my hair pulled while I'm having sex. It turns me on so much!"

### 4 What's your favourite position?

"I love doggy-style. I like a good spank at the same time. I love how rough and intense it can be."

### 5 Is it better to give or receive?

"Both! I get super turned-on when I'm giving a guy pleasure and I can see that

he's really enjoying it. That turns me on, and makes receiving all the better!"

### 6 What one thing would you really like to try but haven't yet?

"I think having sex outside would be really naughty. I like the thought of being caught while having sex!"

### 7 Ever got it on with another girl?

"I once snogged one of my best friends in the middle of the dancefloor. That was pretty hot!"

### 8 What's your role-playing costume of choice?

"I have the sexiest French maid outfit that I like to wear in the bedroom. It feels really sexy."

### 9 Have you ever made a sex tape?

"No, I haven't but it's got to be done sooner or later."

### 10 What's the rudest thing you've ever done?

"This is really quite rude, actually – I once tossed my boyfriend off on the bus when it was packed. I could tell by his reaction that he loved every minute of it!"

## McIlroy: 'I want more Majors!'

Golf's young star on winning the Open, recovering his form and taming his ego!

Hi Rory! What do you think your chances are of winning the British Open this week?

I think I'm in a fine place at the moment. My game's in good order and I'm really looking forward to the championship. As with any top golf tournament there are always five, six, seven or eight players who can win, but I think I'm in that final group. In the last few weeks, I've been more like my old self.

You've had a pretty dramatic loss of form recently. What's gone wrong for you?

I think some of it has been exaggerated, but at the same time I can't pretend I'm totally happy at how things have gone. I honestly believe I've been hitting the ball well recently, but then I'll screw up on one hole and things start to go a bit wrong. The goal for me is to string 18 decent holes together and from that I'm sure my confidence and performance will begin to flow.

**You sound confident.**

Look, you don't just become a bad golfer overnight. All players have dips in form. That's all it is.

You've been quoted as saying you can get thrown if you have a bad hole or two and it can affect your whole tournament, not just your round. That's a bit honest to admit to opponents isn't it?

I don't see any point in lying about anything or dressing things up. It's been the truth on occasions. I'm not happy about it, mind – I've found it frustrating, but it's something I've been working on and will continue to do so.

**What do you say to the people who have attributed your recent slump in form to the fact that you've been going out with Danish tennis player Caroline Wozniacki?**

It's too easy to point the finger. There's a bigger picture for me. I'm still young and inevitably, because of that, I'm still making mistakes, definitely. I'm not talking about any scenario in particular but sometimes it's difficult to strike the right balance between what happens on the golf course and what happens off it. I'm surrounded sometimes by a world of craziness – it's great and exciting, and I wouldn't swap it for anything. It's just up to me to strike the right balance.

**What do you think are the distractions then?**

People tend to just see you at the practice tee or at tournaments and think being a golfer is just hitting a ball a long way and getting it down in as few shots as possible. They obviously appreciate the practice and dedication needed to reach the top but at the same time there are the unseen things – the demands on your time, media commitments, the events with sponsors.

Don't get me wrong, there's no way I'm whingeing or complaining – I'm a very, very lucky boy. It's just that sometimes, it can naturally become a bit of a challenge to accommodate everything.

**So pitching balls at US baseball games hasn't given you a big head?**

No way! I'm still the same fella. My life has changed a lot, but I'd like to think I'm pretty much the same guy trying to learn as much as I can about the game of golf. I learnt when I choked at the 2011 Masters, I learnt when I won the US Open, I've learnt in life from the good and bad things I've ever done. I'm still very wet behind the ears in some terms, so I've

got a long way to go. All I can do is remain as calm and relaxed as I can be and then let my do the talking.

**Are you as committed to golf as you were?**

Of course, no question at all. I'm as driven now to be the number one golfer in the world as I've ever been. However, I've always wanted a life away from golf – it's important to me – and I'll continue to pursue that because it makes me happy.

**Thanks for the chat, Rory. So finally then, back to the Open. What's your motivation to do well at Royal Lytham & St Annes?**

Personal pride, the desire to show that I'm a top golfer, the things I've worked for my whole life. I've won one Major, which was amazing and I enjoyed every single minute of it, plus what followed after. But now I want the second, the third and after that, who knows? Not many people can say they're a multiple Major champion. I want to be on one of those people – God, yes!

## Carroll must leave Liverpool!

With Rodgers at Anfield, I don't see how Andy will fit in!

→ IF I were Andy Carroll, I'd be a tad worried right about now. It seems his new manager Brendan Rodgers isn't keen on him hanging around and the striker's constantly being linked with a move away from the club.

We all know the brand of football Rodgers expects

from his teams and I just can't see how Andy fits in. For starters, Rodgers usually likes only one man up-front, which has to be Luis Suarez, and the ethos of keeping the ball on the floor just doesn't suit a big lad like Andy.

There has been some speculation that AC Milan are interested in Carroll's

services and I think it would be a great move for him. With Zlatan Ibrahimovic on the way out, they need a big unit to replace him, and a successful loan move could boost Andy's transfer value for a permanent sale.

Whatever happens, I think it may be time for the Reds striker move on.

He loved playing  
in his fat suit

**Former Saints  
man Claus  
is real sinner!**

I SEE that the former captain of Southampton, Claus Lundekvam, has claimed that spot-fixing was rife during his time in the Premier League with the south coast club. I think the Norwegian must be short of a few bob or have a book coming out – it all sounds like nonsense to me.

As a fellow pundit, I know Saints legend Matt Le Tissier very well, and he's already covered all of the betting controversy before. Obviously the odd bit of money was probably put on here or there, but to suggest it happened every week, as Lundekvam claims, is just ridiculous!

### FIFA FARCE!

Fifa are at it again! It doesn't surprise me in the slightest that the top brass were on bribes and bungs. Can we not chuck the lot of them out and start again?

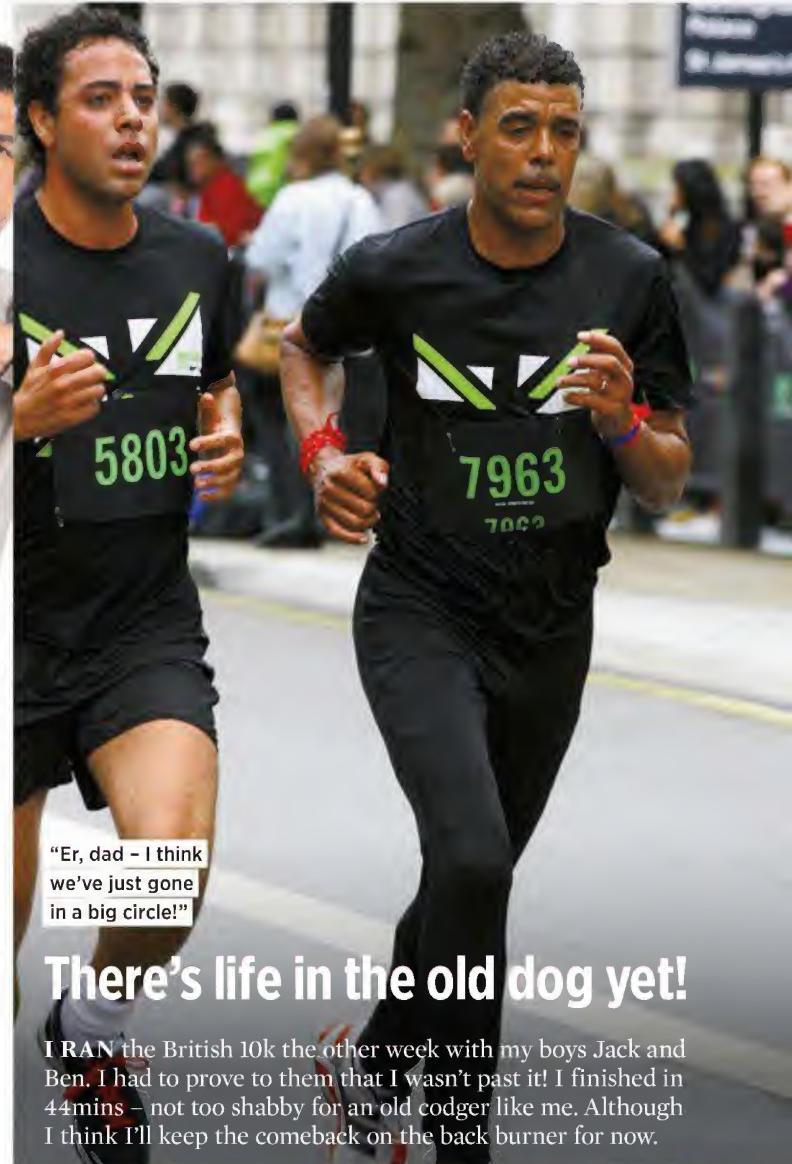

## Harry will stay put!

THE RUSSIANS seem to want Harry Redknapp as their next national manager. Although it's definitely the calibre of job 'Arry should be being linked with after all he's achieved, I just can't see it happening. Redknapp would never leave Blighty and the commute from the south coast to Moscow would be a nightmare! Harry deserves another crack at the Premier League, and with his reputation I'm sure it will happen sooner rather than later.

"Oh, yeah! That guy does look like Kammy!"

## There's life in the old dog yet!

I RAN the British 10k the other week with my boys Jack and Ben. I had to prove to them that I wasn't past it! I finished in 44mins – not too shabby for an old codger like me. Although I think I'll keep the comeback on the back burner for now.
